the various teachers as indicated under:

In addition to this work Mr. Deshar has been told to assist the teachers of the lower standards in teaching especially

with this it may be
remarked that a trial

In addition to this
Mr Joshi will do office

There is at present more than one teacher per standard
The idea is to split up a large class into two, with a teacher for each.
It is desirable, but not ~~very~~ urgent. 7-5-09 *Shelton*

Copy. Serial No. 98 of 1911-12

With reference to your office

Sanctioning No 647 dated 22nd September 1911, I have
e. level 5th, 1911. The honour to report that the results of
the annual examination have been

The annual examination has been
made known by the Deputy Educational
Inspector that classes have been changed
and that after the examination was over
the school has not been closed on any

account. I, however, regret to report
that the attendance of boys has suffered
miserably owing to the following reasons:

(1) All the influential boys who form
a great majority, have gone away on
account of the out-break of plague.

(2) "A great many of the local boys
have also gone away along with the
families to which they belong or have
been singly sent away for the same
reasons. Boys, especially those who re-
ceive English education, are generally
regarded as the flower and hope of the
families.

(3) Some of the local boys are detained
home by their parents or guardians
who have, for the time being, been in-
different as regards their education
on account of the anxiety owing to plague
and the present solitary and dreary condition
of the school consequent upon the sudden ab-
normal fall in the attendance of boys.
As a matter of fact, the attendance
at present does not show half as score. Plague
this town at present appears to be only
in a lingering condition and if, fortunately
for all of us, it soon stops altogether, it
will then be possible to take up the new
year's work in right earnest.

I have the honour to be,
Sir,

Yours most obedt servt

(ii) The other scholarship of Rs-3 may be awarded to G. B. Godke of St. V. His progress, according to the impression of the class master, is more satisfactory than that of Changan B. A though he has scored an equal number of marks in the examination.

(iii) One scholarship of Rs-2 may be awarded to Raddi of St. II and the other scholarship of Rs-2 to G. A. Raichur of St. II.

3. There are two Chanjada boys in this school holding special Chanjada scholarships of Rs-3 each viz.

1. Bisaldar M. H. of St. II.
2. Bisaldar G. R. of St. II.

Of these the first was not present at the examination on account of the outbreak of plague. His progress being however, fairly satisfactory, he will be recon-

mended for promotion to St II.

The 2nd has passed in the annual examination. His scholarship may ^{therefore} be continued.

4. There are in this school two boys of Birader Nawabs, viz, Birader Nawab Tabrizkhan and Nawabkhan and Birader Nawab Habibulla and Habibkhan. The progress of both is satisfactory.

5. There are 21 free boys in this school. Of these 9 have passed in the examination. The progress of 11 of the remaining 12 boys is fairly satisfactory. The progress of G. D. Gultharni St III is not satisfactory. His freeship may, therefore, be discontinued.
